Echelon,

A couple quick things from the band to share with you...

**Be A Part Of The Video Shoot For "The Kill"**

30STM will be shooting the new video for their latest single "The Kill" on April 2nd and 3rd in Toronto, Canada and we're looking for a few hundred fans to help as part of the cast. We especially need twins. Shooting should take most of the day on and there will be no pay or food provided. If you are interested in being part of the shoot and are going to be in the area, keep an eye on the band's Myspace page <http://www.myspace.com/thirtysecondstomars> for details.

Let's get as many Echelon members and friends out there as we can to help the video look great...

**30STM Broadcasting Live From Canada**

The band is doing a few live appearances today on TV and radio in Toronto. Tune in to catch them:

3:30pm - THE EDGE 102.1 FM (Radio)

5:10pm - MUCHMUSIC (TV)

6:15pm - MTV CANADA (TV)

**Videos From The Road...**

If you are travelling to the band's shows in Toledo or Chicago this weekend, film your journey! Make sure to save the footage - there will be more details to come...

Styler

Director of Operations, MARSarmy [ECHELON division]
